

EMBRY-RIDDLE
Aeronautical University
Office of the President

March 30, 2022

Mr. Gregg Dudzinski
Alumni President of Sigma Chi

Dear Mr. Dudzinski,

Congratulations to the Eta Iota Chapter of Sigma Chi on its 50th anniversary on campus. It is a tribute to the fraternity that ties remain so strong, which was evident in the success of your reunion this past weekend. Kudos on having so many brothers return to the celebration.

As the first fraternity at Embry-Riddle, Sigma Chi set the standard for the five fraternities and three sororities that followed. Today, the brotherhood continues to inspire through your leadership and the generosity of spirit you demonstrate to both the campus and our broader community.

The fraternity's achievements and the achievements of the university have always enjoyed a positive connection, as Sigma Chi has launched SGA presidents, top athletes and *Aviation Week* 20 Twenties honorees.

Sigma Chi has always put its values into practice through its participation in intramurals, community service and philanthropy. The chapter has also demonstrated an enduring comradery by supporting scholarships in memory of members who have passed away.

The Daytona Beach Campus of Embry-Riddle is a better place to live and learn thanks to the Eta Iota Chapter of Sigma Chi. Please share my best wishes with the Chapter.

Sincerely,

P. Barry Butler, Ph.D.
President
